Ad - Fresh out of the Garage

0:30

Brand: Away Travel Suitcases

Target: Young Adults (18-25) Americans of all genders with income to spend on travel (~\$100,000 a year) who love travel, cars, and comedy.

Ad Idea: Treat it like a car ad, and try to make it so that the fact that it's actually a luggage brand is a shock to viewers to make the ad stick out more against more typical ads. It's certainly a risk, but there ain't no reward without risk!

Try to have this reveal occur around the CTA, to make the CTA more memorable.

Tagline: The Ultimate Travelling Luggage (A parody of BMW's Slogan, The Ultimate Driving Machine)

FRAME 1: GARAGE:

ECU: CLOSE TO THE GROUND, AS IF THE CAMERA IS LYING ON THE GROUND. ALL FOREGROUND OBJECTS ARE SILHOUETTES.

(SILHOUETTE SUITCASE SLOWLY ROLLS ACROSS THE SCREEN FROM THE LEFT, VIEWERS CAN ONLY CLEARLY SEE THE WHEELS)

MUSIC: EPIC ROCK MUSIC (SIMILAR TO [THIS](#))

RUGGED-SOUNDING MAN: Fresh out of the garage, it's our newest model.
